Fun in the snow

In a snow-covered landscape, only a short bit from the centre, you will experience an evening on the sledge slopes and find out how much fun it really is !

Our guide will meet you at your accommodation and take you out to Pagla Mountain Ski Centre (approx. 4 km). After a short run-through, you will be given the opportunity to experience what it feels like to ride a sledge, a toboggan and many other typical winter toys. While these activities are going on, we will make a fire to barbecue sausages, taste the classic lingonberry juice, and be on the lookout for northern lights until the guide drives us back.
